

VOLUNTEER APPLICATION FORM

**Patty's Parrot Palace, Inc.**

Volunteer Application

We are thrilled that you would like to volunteer to work with us at Patty's Parrot Palace, Inc. Before submitting an application please read all of the information provided below to be sure you will be comfortable working with special needs and behaviorally challenged birds. All Volunteers must commit to at least 6 hours per week, at least a week a month. Volunteers are expected to show up on time, and stay the entire time they commit to. Volunteer work is DIRTY and hard, cleaning cages is always first on the list of things to be done. Socializing with birds is not always easy, or fun. Every volunteer takes a risk of being bitten and must sign a form releasing Patty's Parrot Palace, Inc. from liability. Volunteers often are needed to do things that involve no interaction with birds, such as building, lawn maintenance, land cleaning and building cages. Volunteers who do transport for us must show proof of drivers' license and insurance. Volunteers who have birds at home must show current health testing for birds. Volunteers may also be asked to assist with administrative work. Working with birds is very LOUD some time or all the time! Volunteers must be at least 18 years old (15-18 years) only with parental consent. If you feel that you can handle all of the above, want to work with birds, and have the time in your life to offer to Patty's Parrot Palace, Inc., then fill out the volunteer application! We always need new friendly faces!

Please complete this application and e-mail it to us at [pattysparrotpalace@gmail.com](mailto:pattysparrotpalace@gmail.com)

If you have a few hours each week that you can give to the care of the birds here at Patty's Parrot Palace, Inc., please consider visiting us for an introductory visit. You will find that there are many birds here that will benefit from your added attention and care. Whether you intend to donate or just want to help out, you will make a difference both in the life of the birds and in the lives of those of us who are here fighting for the improved care of all parrots in captivity. Every hour you can donate to the cause will allow us to further the many goals and efforts in conservation and avian welfare.
